Supplementary File 1 - Incremental costs of accreditation by hospital and survey type

![Graph showing incremental costs of accreditation as a percentage of total operating costs by hospital and survey type. The graph includes four lines representing Self-assessment 1, Organisation Wide, Self-assessment 2, and Periodic Review. The vertical axis represents the incremental costs of accreditation as a percentage of total operating costs, ranging from 0.00% to 1.40%. The horizontal axis represents hospitals, numbered 1 to 6.]
