

## Correction: *Factors associated with hospitalisations in chronic conditions deemed avoidable: ecological study in the Spanish healthcare system*

Angulo-Pueyo E, Ridaio-López M, Martínez-Lizaga N, *et al.* Factors associated with hospitalisations in chronic conditions deemed avoidable: ecological study in the Spanish healthcare system. *BMJ Open* 2017;7:e011844. doi: 10.1136/bmjopen-2016-011844.

This is to inform that the authors missed to mention a second public funder, namely the European Regional Development Fund.

Below is the updated funding information:

This study has been funded by Instituto de Salud Carlos III through the project “the Research Network on Health Services Research (REDISSEC) grant RD12/0001/0004” (Co-funded by European Regional Development Fund) “Investing in your future”.
