Correction: Phenylketonuria incidence in China between 2013 and 2017 based on data from the chinese newborn screening information system: a descriptive study

Xiang L, Tao J, Deng K, *et al.* Phenylketonuria incidence in China between 2013 and 2017 based on data from the Chinese newborn screening information system: a descriptive study. *BMJ Open* 2019;9:e031474. doi: 10.1136/bmjopen-2019-031474

This article was previously published with error in Figure 3.

The unit of incidence (horizontal ordinate) in figure 3 has been corrected to 100 000.

The revised figure is below:

Figure 3 Phenylketonuria incidence by country.
