### Intravenous Lignocaine in Spinal Surgery

**DATA COLLECTION FORM**

<table>
<thead>
<tr>
<th>Minor</th>
<th>Moderate</th>
<th>Major</th>
<th>Cervical</th>
<th>Thoracic</th>
<th>Lumbar</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>Level of Spinal Surgery</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Procedure performed**

**Methodology of study**
- RCT.
- Quasi Randomised.

**Study characteristics:**
- year of publication,
- journal, year (or period) of study conduct,
- sample size, setting,

**Intravenous Lignocaine**

**Bolus Dose**

**Infusion**

**Duration**

**Total Dose**

**Primary Outcome**

**Secondary Outcomes**

**Participant Characteristics**

**Age**

**Gender**

**Comorbidities**
