Facilitator travel costs	Total number and type (i.e. car, train, etc.) of journeys	Train or bus fee and fixed fee per mile
Administrator costs	Number of days / months dedicated to coordinate implementation of I-WOTCH intervention	Salary used to estimate fixed daily rate (pension and national insurance contributions included)
Facility costs	Number of days facility has been hired per course delivered	Daily rate for venue
Hospitality costs		
Consumables		
Course materials costs		
My Opioid Manager Manual	Total number of manuals produced and delivered	Total printing costs
Relaxation Package	Total number of CDs produced and delivered	Total cost of CDs

Table A3. Data collection form used to characterise the I-WOTCH intervention facilitators	
Characteristics of course facilitators	
<i>Variable</i>	<i>Description</i>
Facilitator ID	Define unique key
Site	
Age	In years
Gender	
Ethnicity	Same categories used for participants
Type	Healthcare provider Lay person
Profession / Experience	
Years of professional experience (for health care professional (HCP)) or facilitation (lay person)	
Number of courses facilitated	

Table A4. Data collection form used to characterise the course in I-WOTCH intervention	
Course venues, facilitators, and participants	
<i>Variable</i>	<i>Description</i>
Course ID	
Venue	
Facilitator	Facilitator profession/experience
Number enrolled	
Attendance	Attendance per patient per session
