# TIRED Site Survey

## Department Demographics

Name of emergency department and NHS trust?

---

Number of attendances per year?

---

Any specialist designation?

- Trauma unit
- Adult major trauma centre
- Stroke centre
- PCI centre
- Paediatric major trauma centre

Number of EM Consultants?

---

Number of EM Middle Grades (ST4 and above)?

---

Number of EM Middle grade career clinicians equivalent to > ST4 (eg associate specialist, specialty doctors, CESR or other non-training doctors)?

---

Number of EM trainees ST3?

---

Number of ACCS trainees ST1-2?

---

Number of GP trainees ST1-3?

---

Number of ED GPs?

---

Number of Clinical Fellows (Fy1-ST3)?

---

Number of Clinical Fellows ( $\geq$ ST4)?

---

Number of FY2s?

---

Number of FY1s?

---

Total number of ED Doctors calculated from the answers above:

---

Confidential

Page 2 of 9

---

Out of the total number of doctors above, how many will be ineligible for the study due to absence during the study period? (eg maternity, sick or annual leave)

---

What percentage of eligible EM doctors do you estimate you will enrol in the survey? (ie if you have 50 doctors and think you will enrol 25 at your site, that would be 50%).

\_\_\_\_\_

(We are aiming for a response rate of 80% of eligible doctors as a minimum at each site but understand this not might be achievable. Therefore, this is an opportunity to document how many you think will be achievable at your site.)

---

Number of advanced nurse practitioners?

---

---

Number of advanced clinical practitioners?

---

---

Number of adult qualified EM nurses?

---

---

Number of paediatric qualified EM nurses?

---

---

Number of health care assistants (or equivalents)?

---

---

Number of EM physician associates?

---

---

Does your Consultant rota use self-rostering?

Yes  
 No

---

Does your Registrar rota use self-rostering?

Yes  
 No

---

Does your SHO rota use self-rostering?

Yes  
 No
