RECRUITMENT POSTER

We are interested in how people feel about how their general practitioner (GP) chooses their blood pressure medication

We are seeking **people who are taking an ACE inhibitor for their blood pressure** (medications ending in -pril or brand names such as Renitec, Tritace, etc), to participate in an approximately 30-minute phone or face to face interview to discuss these with you.

This research is authorised by the University of Melbourne (ethics ID1955072).

Please email your contact details to 4th-year medical student Ms Tessa Marshall tmarshall@student.unimelb.edu.au or call +61 3 8344 9042 if you are interested.

Your contact details will not be used for any other purpose.
