

Correction: Reports of myocarditis and pericarditis following mRNA COVID-19 vaccination: a systematic review of spontaneously reported data from the UK, Europe and the USA and of the scientific literature

Lane S, Yeomans A, Shakir S. Reports of myocarditis and pericarditis following mRNA COVID-19 vaccination: a systematic review of spontaneously reported data from the UK, Europe and the USA and of the scientific literature. *BMJ Open* 2022;12:e059223. doi: 10.1136/bmjopen-2021-059223

This article was previously published with an error.

The authors have been made aware of an error in table 7 against row 20 (Lai, reference 61), for the percentage of carditis cases who had received a second vaccine dose. This inaccuracy has been corrected in the table, and now reads ‘75.0% followed 2nd dose.’
