Dear Madam, Dear Sir,

We thank you in advance for granting us some of your time.

Preferably, choose a quiet place in order to answer all questions to the best of your ability.

**HOW SHOULD YOU RESPOND TO QUESTIONS?**

Before answering, read carefully the question and its response categories.

1) Multiple-choice questions: Mark the box, which best describes your answer to the question, with a cross. For each question, select one single box, except if you find the instruction “More than one response possible”.

   Example: Are you...?

   ![Multiple-choice Example](X Left-handed)

   ![Multiple-choice Example](Right-handed)

2) The answer is a number: Provide your answer in the space given below.

   Example: During the past month, how many hours of actual sleep did you get each night?

   Hours of sleep per night: 08

3) The answer is a date: Provide your answer according to the format given below.

   Example: What is your date of birth?

   Month / Year: 12 / 1971

4) In some cases, we ask you to write down your answer.

   Example:

   What is your country of birth?: LUXEMBOURG
1.01. What was your sex at birth?

| Male                  | Female               | I do not want to answer |

1.02. What is your date of birth?

Month / Year: ____ / ______

1.03. What is your current legal marital status?

| Married or in a registered life partnership (PACS) | Widow(er)           | Divorced               | Live in a consensual union | Single, never married | Separated, but still legally married |

1.04. What is your highest educational degree obtained?

| No diploma                     | CATP – Certificate of Technical and Professional Apatitude | CITP - Certificate of Technical and Professional Initiation | CCM – Certificate of Manual Capability | Diploma for Completion of Secondary Technical Studies | Technician diploma | Diploma for Completion of Secondary General Studies | Bac +2 (BTS) | Bac +3 (Bachelor’s Degree) | Bac +4 (Masters) | Bac +5 and more (3rd Cycle, DEA, DESS, MBA, Masters, Ph.D., etc.) | Diploma from a Grande Ecole, an Engineering School | Other, please specify : |
1.06. What is your current activity?

- Employed, full-time
- Employed, part-time
- In school, university, or in training
- Unemployed or in search of employment
- Retired or in early retirement
- At home
- Invalid
- On long-term leave (for example illness)
- On parental leave
- Other, please specify:

2.01. For the management of your glycemic levels, you use...?

- an insulin pump
- a continuous glucose monitoring system (CGM) such as FreeStyle Libre
- an insulin pump, augmented with a CGM
- a hybrid closed insulin loop (HCL) (artificial pancreas), composed of an insulin pump, a Continuous Glucose Monitor (CGM), and an algorithm to steer the basal insulin administration automatically (for example Medtronic 780G, Tandem Slim IQ, or CamAps FX)
- Others. Please specify:

2.02. What was your most recent HbA1c value?

___ (%) Please specify when: ____________________________________________________

2.03. Did you recently register any hypoglycemia events (glucose values below 70 mg/dl)?

- No
- Yes. Please specify when: ____________________________________________________

3.01. Do you use any smartphone or tablet application for health or well-being purposes?

- No
- Yes. Please specify how many: _______________________________________________
Dear Madam, Dear Sir,
We thank you in advance for granting us some of your time. Preferably, choose a quiet place in order to answer all questions to the best of your ability.

HOW SHOULD YOU RESPOND TO QUESTIONS?
Before answering, read carefully the question and its response categories.

1) Multiple-choice questions: Mark the box, which best describes your answer to the question, with a cross. For each question, select one single box, except if you find the instruction “More than one response possible”.

Example: Are you...?

☒ Left-handed
☐ Right-handed

2) The answer is a number: Provide your answer in the space given below.

Example: During the past month, how many hours of actual sleep did you get each night?

Hours of sleep per night: 08

3) The answer is a date: Provide your answer according to the format given below.

Example: What is your date of birth?

Month / Year: 12 / 1971

4) In some cases, we ask you to write down your answer.

Example:

What is your country of birth?: LUXEMBOURG

1.01. What was your sex at birth?:

☐ Male
☐ Female
☐ I do not want to answer

1.02. What is your date of birth?

Month / Year: ____ / ______

1.03. What is your child’s date of birth?

Month / Year: ____ / ______
1.04. What is your current legal marital status?

- Married or in a registered life partnership (PACS)
- Widow(er)
- Divorced
- Live in a consensual union
- Single, never married
- Separated, but still legally married

1.05. What is your highest educational degree obtained?

- No diploma
- CATP – Certificate of Technical and Professional Aptitude
- CITP - Certificate of Technical and Professional Initiation
- CCM – Certificate of Manual Capability
- Diploma for Completion of Secondary Technical Studies
- Technician diploma
- Diploma for Completion of Secondary General Studies
- Bac +2 (BTS)
- Bac +3 (Bachelor’s Degree)
- Bac +4 (Masters)
- Bac +5 and more (3rd Cycle, DEA, DESS, MBA, Masters, Ph.D., etc.)
- Diploma from a Grande Ecole, an Engineering School
- Other. Please specify:

1.06. What year/grade is your child in at school?

- Pre-School
- Pre-K / Reception
- Kindergarten / Year 1
- 1st Grade / Year 2
- 2nd Grade / Year 3
- 3rd Grade / Year 4
- 4th Grade / Year 5
- 5th Grade / Year 6
- 6th Grade / Year 7
- 7th Grade / Year 8
- 8th Grade / Year 9
- 9th Grade / Year 10
- 10th Grade / Year 11
- 11th Grade / Year 12
- 12th Grade / Year 13

1.07. What is your current activity?
2.01. For the management of his/her glycaemic levels, your child uses...?

- an insulin pump
- a continuous glucose monitoring system (CGM), such as FreeStyle Libre
- an insulin pump, augmented with a CGM
- a hybrid closed insulin loop (HCL) (artificial pancreas), composed of an insulin pump, a continuous glucose monitor (CGM), and an algorithm to steer the basal insulin administration automatically (for example Medtronic 780G, Tandem Slim IQ, or CamAps FX)
- Others. Please specify:

2.02. What was your child’s most recent HbA1c (%) value?

____ (%) Please specify when: ______________________________________________________

2.03. Did your child recently have any hypoglycaemia event (glucose values below 70 mg/dl)?

- No
- Yes. Please specify when:

3.01. Do you use any smartphone or tablet application for health or well-being purposes?

- No
- Yes. Please specify how many:
Brief Socio-demographic & Diabetes Management Questionnaire for Teenagers

Dear participant,
We thank you in advance for granting us some of your time.
Preferably, choose a quiet place in order to answer all questions to the best of your ability.

HOW SHOULD YOU RESPOND TO QUESTIONS?

Before answering, read carefully the question and its response categories.

1) Multiple-choice questions: Mark the box, which best describes your answer to the question, with a cross. For each question, select one single box, except if you find the instruction “More than one response possible”.

   Example: Are you...?
   - [X] Left-handed
   - [ ] Right-Handed

2) The answer is a number: Provide your answer in the space given below.

   Example: During the past month, how many hours of actual sleep did you get each night?
   Hours of sleep per night: 08

3) The answer is a date: Provide your answer according to the format given below.
