

1 **APPENDIX A**

Diagnosis Categories by Systems	Diagnosis Description	Diagnosis Category
Respiratory	Acute bronchitis Pneumonia Upper respiratory tract infection Allergic rhinitis Asthma (bronchial) Other Respiratory Conditions	Acute Acute Acute Chronic Chronic Chronic
Musculoskeletal & Trauma	Abrasion Achilles Tendinitis Arthralgia & myalgia Arthropathy Backache Bunion/Hallux Valgus Burns Contusion Dislocation Disorder of synovium, tendon & bursa Foreign Body - skin Fractures Head injury Open wound Osteoarthritis Other deformities of ankle and foot Other Injuries Other musculoskeletal conditions Pes planus Plantar Fasciitis Rheumatoid arthritis Spinal disorder Sprain/strain	Acute Acute Acute Chronic Chronic Chronic Acute Acute Acute Chronic Chronic Acute Acute Acute Chronic Chronic Acute Chronic Chronic Acute Chronic Chronic Acute
Skin	Acne Alopecia Corn/callus Eczema Fungal infection Nail disease Other Skin Conditions Pruritus Psoriasis Skin infection Urticaria	Chronic Chronic Chronic Chronic Acute Chronic Chronic Chronic Chronic Acute Chronic
Miscellaneous	Adverse effect, medication, chemical Allergy, unspecified	Acute Acute

	<ul style="list-style-type: none"> Basic health screen Benign neoplasms Complication of medical care Diabetic retinopathy photography Follow-up exam Follow-up post-surgery Health education Medical exam/investigations Travel clinic 	<ul style="list-style-type: none"> Preventive Acute Acute Preventive Acute Preventive Preventive Preventive Preventive
Neurology	<ul style="list-style-type: none"> Epilepsy Giddiness, not specified Headache, not specified Migraine Other CNS Conditions 	<ul style="list-style-type: none"> Chronic Acute Acute Chronic Chronic
Infectious Diseases	<ul style="list-style-type: none"> Chickenpox COVID-19: Confirmed Case COVID-19: History of Exposure COVID-19: Suspect Case Dengue fever Enteritis (Gastroenteritis) Fever without localizing symptoms Genital Herpes (First Episode) Hand, foot & mouth disease Herpes zoster Influenza-like illness Other notifiable infections Other venereal disease Other non-notifiable infections Scabies Tuberculosis Wart 	<ul style="list-style-type: none"> Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Acute Chronic Acute
Gastrointestinal	<ul style="list-style-type: none"> Appendicitis Chronic liver disease Constipation Dyspepsia Gastritis Gastro-esophageal reflux disease Hernia Irritable bowel syndrome Oral soft tissue disease Other gastrointestinal Conditions Peptic Ulcer Disease Piles Teeth & supporting structure disease 	<ul style="list-style-type: none"> Acute Chronic Acute Acute Chronic Chronic Acute Chronic Acute Chronic Chronic Acute Acute
Other Services	<ul style="list-style-type: none"> Family planning Hepatitis B carrier follow-up 	<ul style="list-style-type: none"> Preventive Chronic

	Other conditions of perinatal origin Other screening/Growth monitoring Questionnaires Preventive measures/ immunization child Well child: Dr: 3mth,18mth,4yr developmental assessment 9mth, 3yr Well child: Dr: Newborn to 4yr developmental assessment Well women clinic	Chronic Preventive Preventive Preventive Preventive Preventive
Eye	Cataracts Conjunctivitis Eyelid disorder Foreign Body eye Other Eye Conditions Refractive vision	Chronic Acute Acute Acute Acute Chronic
Gynecology & Breast	Breast lump Dysmenorrhea Menopausal disorders Menorrhagia Other Breast Conditions Other Gynecological Conditions	Acute Chronic Chronic Chronic Chronic Acute
Psychiatry	Anxiety Bipolar Disorders Depression (Major) Depression (others) Insomnia Neurosis Other psychiatric conditions Psychosis Schizophrenia	Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic
Ear	Ear wax Foreign Body ear Hearing loss Other Ear Conditions Otitis externa Otitis media	Acute Acute Chronic Acute Acute Acute
Cardiovascular	Arrhythmias Chest Pain Hypertension (Diet Only) Hypertension on medication Other cardiovascular conditions Varicose veins, legs	Chronic Acute Chronic Chronic Chronic Chronic
Renal/Urinary	Acute kidney injury Calculus, urinary tract Erectile dysfunction Incontinence/enuresis	Acute Chronic Acute Chronic

	Nephritis, nephropathy – unspecified Other Male Genital Disorders Other Renal Disorders Other Urinary Disorders Urinary retention Urinary tract infection	Chronic Acute Chronic Chronic Acute Acute
Blood Disorder	Anemia (except thalassemia) Down's Syndrome Iron Deficiency Other blood disorders Thalassemia	Chronic Chronic Chronic Chronic Chronic
Endocrine/Metabolic	Diabetic retinopathy Diabetes Mellitus Type I Diabetes Mellitus Type I on medication Diabetes Mellitus Type II (Diet Only) Diabetes Mellitus Type II on medication Gout Graves' disease Hyperlipidemia (Diet Only) Hyperlipidemia on medication Hypoglycemia Hypothyroidism Impaired fasting glucose Impaired glucose tolerance Nutritional deficiency Obesity Other endocrine diseases Thyroiditis Thyrotoxicosis	Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic Acute Chronic Chronic Chronic Chronic Chronic Chronic Chronic Chronic
Pregnancy	Antenatal care Other pregnancy conditions PGU Postpartum follow-up Threatened abortion Vomiting of pregnancy	Preventive Acute Acute Preventive Acute Acute
Congenital Disorder	Neonatal jaundice Other anomaly	Acute Chronic
