Stene LE, Dyb G, Tverdal A, *et al.* Intimate partner violence and prescription of potentially addictive drugs: prospective cohort study of women in the Oslo Health Study. *BMJ Open* 2012;**2**:e000614. The authors' affiliations in this article are incorrect. Grete Dyb should have two affiliations: affiliation (2) "Norwegian Centre for Violence and Traumatic Stress Studies, Oslo, Norway" and (3) "Institute of Clinical Medicine, University of Oslo, Oslo, Norway". Aage Tverdal should have affiliation (4) "Department of Pharmacoepidemiology, Norwegian Institute of Public Health, Oslo, Norway". We apologise for these errors.
