

## Correction

Holland-Bill L, Christiansen CF, Ulrichsen SP, *et al.* Validity of the International Classification of Diseases, 10th revision discharge diagnosis codes for hyponatraemia in the Danish National Registry of Patients. *BMJ Open* 2014;**4**:e004956. During the production process an error was introduced in table 2 of this paper. In the last column 'Validity measures, % (95% CI)' the first 'Sensitivity' value listed in row 1 should be '1.8 (1.7 to 1.8)' (and not '8 (1.7 to 1.8)').
