Correction

Bell BG, Campbell S, Carson-Stevens A, *et al.* Understanding the epidemiology of avoidable significant harm in primary care: protocol for a retrospective cross-sectional study. *BMJ Open* 2017;7: e013786. doi:10.1136/bmjopen-2016-013786.

This article has been corrected since it was first published. Several instances of 'GP' have been expanded for clarity.

The title of reference number 26 has been corrected to 'The preliminary development and testing of a global trigger tool to detect error and patient harm in primary-care records'.
