

APPENDIX A

Questions of the interview guideline concerning workplace health promotion

Health promotion offers at the offshore workplace

1. Are you aware of any health promotion programs that are offered at your workplace for offshore employees? If so:
 - 1.1 Which programs are these? (descriptions of the content)
 - 1.2 Who is offering them?
 - 1.3 Do you participate in the programs?
 - 1.3.1 If so: what were your experiences? (detailed descriptions)
 - 1.3.2 If not: why? (what are the reasons for non-participation?)

Needs and wishes for health promotion programs

If there are currently no health promotion programs being offered:

2. Would you like to have such programs at your place of work? If so:
 - 2.1. In which areas? (detailed descriptions)
