1. I have read the Information Sheet, and the nature and the purpose of the research project and the risks inherent in my participation have been explained to me. I understand and agree to take part.
2. I agree to my running pattern being video recorded for biomechanical analysis.
3. I understand that I may not directly benefit from taking part in the study.
4. I understand that while information gained during the study may be published, I will not be identified and my personal results will remain confidential.
5. I understand that I can withdraw from the study at any stage and that this will not affect my rights or the responsibilities of the researchers in any respect.
6. I have had the opportunity to discuss taking part in this study with a family member or friend or a GP.
7. I confirm that I am over 18 years of age.

I agree to my data being retained for use in future research in the same or related research area. Data will be de-identified and stored in a secure room at the Nutritional Physiology Research Centre until the research has been published. After the research has been published, data will be stored in a de-identified form at the University of South Australia’s commercial data storage archive for 10 years before being destroyed.

I agree to my personal details being retained so that I may be informed regarding future opportunities to participate in similar research.
