	Please confirm agreement to the statements by putting your initials in the boxes below
I have read and understood the information sheet for children [Dated: 23-3-15; Version no: 1.2]	
I was given chances to ask questions and discuss this study	
I understand that I don't have to take part in this study if I don't wish to. I can also stop taking part even after the study has started	
I understand that the information I provide will be kept secret from others	
I understand that I will be asked to complete a survey 4 times in the study	
I understand that I will be asked to give a sample of my spit for laboratory test	
I understand that I will be asked to complete a diary of my 'coughs and colds'	
I understand that I will be asked to breath into a machine to test my lungs	
I <u>agree</u> to take part in the above study
