MAGNETO-SCD

NHS University Hospitals Coventry and Warwickshire NHS Trust

Magneto-SCD-CONSENT FORM

Study title: A multi-centre observational cohort study to assess the precision and accuracy of Magnetocardiography (MCG) parameters in the prediction of future ICD therapy.

Name of Researcher: Thomas Lachlan Participant ID:

No.	Statement	Please initial box
1	I confirm that I have read the information sheet dated V_1.1_31.05.2019 for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.	
2	I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without my medical care or legal rights being affected.	
3	I understand that relevant sections of my medical notes and data collected during the study, may be looked at by individuals from Creavo Medical Technologies, regulatory authorities or from the NHS Trust, where it is relevant to my taking part in this research. I give permission for these individuals to have access to my records.	
4	I understand that the information collected about me will be used to support other research in the future, and may be shared anonymously with other researchers.	
5	I agree to provide the samples specified in the Information Sheet V_1.1_31.05.2019 for the above study.	
6	Should I choose to withdraw consent, I agree that information obtained from me in this study up to that point may still be used.	
8	I understand that the information held and maintained by the Health and Social Care Information Centre (or amend as appropriate) and other central UK NHS bodies may be used to help contact me or provide information about my health status.	
9	I agree to take part in the above study.	

_____ _____ _____

Name of Participant Signature Date

_____ _____ _____

Name of Person receiving consent Signature Date

When completed: 1 copy for the participant; 1 in their medical notes, and keep the original in the study site file.
