Information and Consent Form for Trial Subjects

DECLARATION OF INFORMED CONSENT

TRIAL SUBJECT No.: _____

My signature on this consent form means that:

- I understand that I am being asked to participate in a clinical trial on a study to test how well empagliflozin works in Japanese people with type 2 diabetes who are older than 65 years
- I have had this clinical trial explained to me by _____.
- I have read, or have had it read to me, each page of this document including its appendices (Appendix A: Visit Schedule, Appendix B: Description of Trial Procedures and Risks, and Appendix C: known side effects (adverse events) of the investigational drug), and the Declaration of Informed Consent and understood all these documents.
- I have had all of my questions answered fully and to my satisfaction.
- I was given sufficient time to think in peace and quiet and decide whether to participate.
- I have been told that my participation is voluntary and I can withdraw at any time without giving any reasons.
- I voluntarily consent to participate in this trial.
- I will be given a signed copy of this consent document for my records.

Information and Consent Form for Trial Subjects

STATEMENT OF INVESTIGATOR / TRIAL DOCTOR / TRIAL COORDINATOR:

I certify that I have explained to the above individual(s) the nature and purpose of the trial and the possible benefit and risks associated with participation. I have answered any questions that have been raised and the potential trial subject has received a copy of this signed consent document.

I acknowledge my responsibility for the care and well-being of the above trial subject, to respect the rights and wishes of the subject, and to conduct the trial according to applicable Good Clinical Practice guidelines and regulations.
