

Table S2. Deaths: detailed explanation of individual re-adjudication decisions by RIAT re-adjudication committee

Definitions

Reported term: local clinical investigator's original diagnosis as reported to the FOURIER Clinical Events Committee

Coded term: local clinical investigator's original diagnosis according to pre-defined diagnosis options

Adjudication: cause of death adjudicated by the Fourier Clinical Events Committee (Cardiovascular; Non-cardiovascular; Undetermined)

Adjudicated cause of death: cause of death adjudicated by the Fourier Clinical Events Committee (specific diagnosis)

Summary of re-adjudications

Case	Page	Group	FOURIER clinical investigator death reports and clinical-events committee adjudications	RIAT re-adjudication committee comments	RIAT initial re-adjudication	RIAT final re-adjudication
#2	23767	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Cardiovascular Procedures)	The narrative contained no evidence to support the FOURIER Clinical Events Committee’s adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#4	23769	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee’s adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#5	23770	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death	The narrative contained no evidence to support the FOURIER Clinical Events	<i>Death Undetermined</i>	<i>Death Undetermined</i>

			Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	Committee's adjudicated cause of death.	Additional information requested.	
#8	23773	EVO	Reported term: Acute heart failure Coded term: Cardiac failure acute Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>the subject experienced cardiac failure acute [acute heart failure]</i> and died on the same day.		<i>Death - Cardiovascular (Due To Heart Failure)</i>
#13	23778	EVO	Reported term: Acute myocardial infarction Coded term: Acute myocardial infarction Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>the subject experienced acute myocardial infarction</i> and died on the same day.		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#24	23789	EVO	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#25	23790	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Trauma)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#26	23791	EVO	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Due To Other Cardiovascular Causes) (PAD)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death. The patient had peripheral arterial occlusive disease on day 1 that was resolved on day 42	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>

				(CSR page 8046). Died on day 302.		
#27	23792	EVO	Reported term: Brain injury Coded term: Hypoxic brain damage Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>the patient was admitted for cardiac failure chronic [chronic heart failure] and died with an outcome of not resolved.</i>		<i>Death - Cardiovascular (Due To Heart Failure)</i>
#29	23795	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Malignancy)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#30	23796	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Cardiovascular Procedures)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#33	23800	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that the <i>subject was reported with myocardial infarction (Grade 4) and died.</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#35	23802	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Infection; Includes Sepsis)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>

#44	23813	PLA	Reported term: Multiple organ failure Coded term: Multiple organ dysfunction syndrome Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Heart Failure)	The narratives read the patient was admitted for pneumonia and died during admission		<i>Death - Non-Cardiovascular</i>
#46	23816	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	In the narratives, there is no evidence to support the adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#47	23818	PLA	Reported term: Death unknown cause Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>the subject experienced death [death unknown cause]</i> .		<i>Death Undetermined</i>
#48	23819	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Non-Cardiovascular Procedure Or Surgery)	The narratives read “on Day 271 the subject experienced <i>intraductal papillary-mucinous carcinoma of pancreas [pancreatic intraductal mucinous neoplasm] (Grade 3)</i> . The event ended on Day 388 with an outcome of resolved” (died on that day).		<i>Death - Non-Cardiovascular (Malignancy)</i>
#49	23820	PLA	Reported term: Acute myocardial infarction Coded term: Acute myocardial infarction Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>the subject experienced acute myocardial infarction</i> and died on the same day.		<i>Death - Cardiovascular (Due To An Acute MI)</i>

#54	23825	EVO	Reported term: Cardiogenic shock Coded term: Cardiogenic shock Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Trauma)	The narratives read that on <i>Day 267 the subject was reported with myocardial infarction (Grade 4) and on (Day 267) the subject experienced cardiogenic shock (Grade 4) with an outcome of fatal.</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#63	23834	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Heart Failure)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#65	23836	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#66	23837	EVO	Reported term: Pulseless electrical activity Coded term: Pulseless electrical activity Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Heart Failure)	<i>On Day 456 the subject experienced nephropathy toxic [contrast induce nephropathy] and died on the same day.</i>		<i>Death - Non-Cardiovascular</i>
#70	23842	PLA	Reported term: Arrhythmia Coded term: Sudden death/Arrhythmia Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	<i>On Day 802 the subject experienced hip fracture [right hip fracture] (CSR page 8699) and also pneumonia on Day 811 (CSR page 8700). Died on day 812.</i>		<i>Death - Non-Cardiovascular</i>
#71	23843	PLA	Reported term: Respiratory failure	<i>On Day 582 the subject experienced respiratory</i>		<i>Death - Non-Cardiovascular (Pulmonary)</i>

			Coded term: Hypoxemic respiratory insufficiency Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To An Acute MI)	<i>failure [hypoxemic respiratory insufficiency] and died.</i>		
#75	23848	PLA	Reported term: Road traffic accident Coded term: Road traffic accident Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	On Day 588 <i>the subject experienced road traffic accident</i> and died.		<i>Death - Non-Cardiovascular (Trauma)</i>
#76	23849	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	On Day 341 <i>the subject was reported with acute myocardial infarction [myocardial infarction acute] (Grade 4) and (Day 341) the subject experienced death.</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#79	23852	PLA	Reported term: Cardiovascular disorder Coded term: Death-cardiovascular Adjudication: Cardiovascular Death Adjudicated cause of death: Death – Undetermined	On Day 614 <i>the subject experienced cardiovascular disorder [death-cardiovascular] with an outcome of fatal.</i>		Death - Cardiovascular (Sudden Cardiac)
#82	23855	PLA	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Non-Cardiovascular (Malignancy)	The narrative contained no evidence to support the FOURIER Clinical Events Committee’s adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#84	23857	PLA	Reported term: Sudden cardiac death Coded term: Sudden cardiac death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	On Day 198 <i>the subject experienced cerebrovascular accident [stroke] (CSR page 8903) and died on day 225.</i>		<i>Death - Cardiovascular (Due To Stroke)</i>

#86	23859	PLA	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#87	23860	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To An Acute MI)	On Day 409 <i>the subject experienced heart failure (Grade 4) and died.</i>		<i>Death - Cardiovascular (Due To Heart Failure)</i>
#88	23861	EVO	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#92	23865	EVO	Reported term: Sudden cardiac death Coded term: Sudden cardiac death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To An Acute MI)	On Day 482 <i>the subject experienced sudden cardiac death.</i> The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.		<i>Death - Cardiovascular (Sudden Cardiac)</i>
#93	23866	PLA	Reported term: Cerebrovascular accident Coded term: Cerebrovascular accident Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	On Day 136 <i>the subject experienced cerebrovascular accident (Grade 4) with an outcome of fatal.</i>		<i>Death - Cardiovascular (Due To Stroke)</i>
#100	23874	PLA	Reported term: Sudden death Coded term: Sudden death Adjudication: Cardiovascular Death	On Day 1146 <i>the subject experienced sudden death [death sudden] (Grade 4).</i> The narrative contained no	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>

			Adjudicated cause of death: Death - Cardiovascular (Due To An Acute MI)	evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.		
#106	23880	PLA	Reported term: Sudden death Coded term: Sudden death, cause unknown Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 522 the subject experienced sudden death [sudden death, cause unknown].</i>		<i>Death Undetermined</i>
#107	23881	PLA	Reported term: Sudden death Coded term: Sudden death unexplained Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 365 the subject experienced sudden death [sudden death unexplained].</i>		<i>Death Undetermined</i>
#112	23887	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 372 the subject experienced cardiac failure [heart failure (NOS)] and died.</i>		<i>Death - Cardiovascular (Due To Heart Failure)</i>
#114	23889	EVO	Reported term: Death Coded term: Death Adjudication: Undetermined Death Adjudicated cause of death: Death - Non-Cardiovascular (Malignancy)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#115	23890	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#117	23892	PLA	Reported term: Acute myocardial infarction	The narratives read that <i>on Day 174 the subject</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>

			Coded term: Acute myocardial infarction Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	<i>experienced acute myocardial infarction (Grade 4) with an outcome of fatal.</i>		
#120	23895	EVO	Reported term: Cardiac failure Coded term: Heart failure Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that on <i>Day 69 the subject experienced cardiac failure [heart failure] (Grade 4) with an outcome of fatal.</i>		<i>Death - Cardiovascular (Due To Heart Failure)</i>
#122	23897	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 259 the subject was reported with myocardial infarction (Grade 4) and on (Day 259) the subject experienced death (Grade 4).</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#125	23900	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Non-Cardiovascular (Malignancy)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#126	23901	EVO	Reported term: Sudden death Coded term: Sudden death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#128	23903	PLA	Reported term: Death Coded term: Unknown cause of death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac).	The narratives read that <i>on Day 1019 the subject experienced death [unknown cause of death].</i>		<i>Death Undetermined</i>

#134	23909	EVO	Reported term: Cardiac death Coded term: Cardiac death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Cardiovascular Procedures)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#135	23910	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#136	23911	EVO	Reported term: Intracranial haematoma Coded term: Intracranial haematoma Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Cardiovascular Hemorrhage)	The narratives read that <i>on Day 510 the subject experienced intracranial haematoma (Grade 4).</i>		<i>Death - Cardiovascular (Due To Stroke) (Hemorrhagic stroke)</i>
#137	23913	EVO	Reported term: Sudden death Coded term: Sudden death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#141	23918	EVO	Reported term: Sudden death Coded term: Sudden death, cause unknown Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 312 the subject experienced sudden death [sudden death, cause unknown].</i>		<i>Death Undetermined</i>
#142	23919	EVO	Reported term: Acute respiratory distress syndrome	The narratives read that <i>on Day 426 the subject experienced acute respiratory distress</i>		<i>Death - Non-Cardiovascular (Pulmonary)</i>

			Coded term: Acute respiratory distress syndrome Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To An Acute MI)	<i>syndrome (Grade 4) with an outcome of fatal</i>		
#145	23922	EVO	Reported term: Sudden death Coded term: Sudden death Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#146	23923	PLA	Reported term: Sudden death Coded term: Sudden, cause unknown Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read that <i>on Day 93 the subject experienced sudden death [sudden death, cause unknown] (Grade 4).</i>		<i>Death Undetermined</i>
#154	23933	PLA	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#157	23936	PLA	Reported term: Death Coded term: Death on arrival Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>on Day 825 the subject experienced cerebrovascular accident [stroke] (Grade 4) and died.</i>		<i>Death - Cardiovascular (Due To Stroke)</i>
#159	23938	EVO	Reported term: Death Coded term: Death from natural causes Adjudication: Undetermined Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.		<i>Death Undetermined</i>

#160	23939	EVO	Reported term: Death Coded term: Death from natural causes Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narratives read <i>on Day 724 the subject was reported with myocardial infarction [myocardial infarction] (Grade 4) and on Day 724 the subject experienced death [death natural cause] (Grade 4).</i>		<i>Death - Cardiovascular (Due To An Acute MI)</i>
#163	23942	EVO	Reported term: Death Coded term: Death Adjudication: Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Sudden Cardiac)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
#167	23946	PLA	Reported term: Death Coded term: Death Adjudication: Non-Cardiovascular Death Adjudicated cause of death: Death - Cardiovascular (Due To Stroke)	The narrative contained no evidence to support the FOURIER Clinical Events Committee's adjudicated cause of death.	<i>Death Undetermined</i> Additional information requested.	<i>Death Undetermined</i>
