Appendix A: Search String Syntax

Ageline (EBSCO)

Note: Syntax related to older adults is not included in this search string because Ageline exclusively hosts information for adults over aged 50

SIREN Evidence & Resource Library Search String
The SIREN search engine could not complete a search using complex syntax. Instead, this review will follow the following process to identify resources related to older adults:
- Visit https://sirenetwork.ucsf.edu/tools/evidence-library
- Select: Search Resource > Population > select Elderly > click Submit Search
