

## ANNEXE 1: IN-DEPTH INTERVIEW SCHEDULE (ENGLISH VERSION)

### Participant Information and Informed Consent Form

Thank you for making time to take part in this interview. My name is *Endalew Gemechu Sendo* and I would like to talk to you about your reasons for attending FANC, which promotes skilled attendance at birth, but decided to deliver your baby at home and not at the health care facility.

Please remember that you are under no obligation to participate in this interview. You can withdraw from the study at this point or end the interview at any point during the interview without explanation or consequences. You do not have to answer any question that makes you uncomfortable. Should we come to any question that you do not want to answer, just let me know and we will go to the next question.

I promise to treat all information collected from this interview as highly confidential and it shall not be reported in a manner that identifies or links you with the results of the study. The interview should take about fifty (50) minutes. I will do the interview and take some notes; my research assistant will be recording this interview because I do not want to miss any of your comments. Because we are on tape, please make sure that you speak up so that we do not miss your important responses.

Do you have any questions regarding what I have just explained to you?

### Informed consent

I, the under signed, acknowledge that *Endalew Gemechu Sendo*, the researcher has explained the research study purpose and activities. I understand the nature of the study and the means by which my identity will be protected and that the information I give will be kept confidential. I have had the opportunity to ask questions and they were answered to my satisfaction. My signature on this form also indicates that I am 18 years old or older and that I give permission to voluntarily participate in this study. My signature here also grants permission for the interview to be recorded.
